Handwritten text on a palm leaf manuscript strip, featuring a circular hole on the left side. The text is written in a cursive script, likely Tamil, and is organized into several lines. The right edge of the strip is jagged and broken.

Handwritten text on the right side of the palm leaf manuscript strip, continuing the script from the left side. The text is written in a cursive script, likely Tamil, and is organized into several lines. The right edge of the strip is jagged and broken.

2

Handwritten text in a script, possibly Tamil, on the left side of the palm leaf. The text is arranged in several lines and includes some circular symbols.

Handwritten text in a script, possibly Tamil, in the middle section of the palm leaf. It continues the sequence of lines and includes circular symbols.

Handwritten text in a script, possibly Tamil, on the right side of the palm leaf. This section also contains several lines of text with circular symbols.

Handwritten text in Tamil script, likely a list or record, with a circular hole on the left side.

Handwritten text in Tamil script, continuing the list or record from the left side.

Handwritten text in Tamil script, consisting of four lines. The script is finely etched into the surface of the palm-leaf. A circular hole is visible on the left side of the leaf, used for threading a cord to bind multiple leaves together.

Handwritten text in Tamil script, consisting of four lines. The script is finely etched into the surface of the palm-leaf. A circular hole is visible on the left side of the leaf, used for threading a cord to bind multiple leaves together.

67

Handwritten text in an ancient script, possibly Pahlavi, consisting of several lines of characters.

Handwritten text in an ancient script, possibly Pahlavi, consisting of several lines of characters.

① 11

Handwritten text in an ancient script, possibly Linear B, consisting of three lines of characters. The script is finely etched into the surface of the wood. The first line contains approximately 25 characters, the second line about 20, and the third line about 25. There are some faint markings and a small dark spot on the right side of the tablet.

97

Handwritten text in an ancient script, possibly Pahlavi, consisting of several lines of characters.

Handwritten text in an ancient script, possibly Pahlavi, consisting of several lines of characters.

Handwritten text in an ancient script, possibly Pahlavi, consisting of several lines of characters.

Handwritten text on a palm-leaf manuscript strip, featuring two columns of script and two circular holes for binding.

Handwritten text in the left column, including a circular symbol at the top and a circular hole for binding.

Handwritten text in the middle column, consisting of several lines of script.

Handwritten text in the right column, including a circular symbol at the top and a circular hole for binding.

Handwritten text in a cursive script, likely a historical record or account. The text is arranged in approximately four lines across the length of the strip. The script is dense and difficult to decipher due to its cursive nature and the wear of the parchment. The text appears to be written in a historical form of a European language, possibly Latin or Italian, given the use of characters like 'S' and 'M' which often represent 'S' and 'M' in such contexts. The text is written in a dark ink on a light-colored, aged parchment strip.

10/10

Handwritten text in Tamil script, consisting of three lines of characters.

① 7

Handwritten text in a cursive script, possibly a list or account, with several lines of characters and some numbers.

Handwritten text in a cursive script, continuing the list or account from the left side.

Handwritten text in an ancient script, likely Linear B, inscribed on a wooden tablet. The text is arranged in approximately 10 horizontal lines. A circular hole is visible on the left side of the tablet, used for binding. The script consists of various symbols and characters, including some that resemble the Greek letters alpha, beta, gamma, and delta. The tablet shows signs of age and wear, with some discoloration and a small dark spot near the hole.

06. ⑤

Handwritten text in Tamil script, consisting of three lines of characters. The script is finely etched into the surface of the palm-leaf. The first line contains approximately 18 characters, the second line contains approximately 18 characters, and the third line contains approximately 12 characters. There are some dark spots and irregularities on the leaf, particularly near the second hole.
